

Library News - Some new additions include two slim volumes of verse from our own Barb Lash. Also look for "The Lord's Prayer" – John Bluck and Muru Walters. A journey through the prayer Jesus taught us, beautifully illustrated also. These books can be found on the top shelf, right-hand side, labelled "Prayer." If you have found a book in our library that spoke to you, share it with a brief review in our pews sheet. Anne Webb Ph. 544 7992

Majesty / Art & Faith - Calling artists of faith together, to engage in a greater devotion to the One, to release a greater purpose through their making, and to reveal a greater promise – the heart of God. Held at ATELIER Studio|Gallery in Nelson, New Zealand over the Easter weekend of 2019, visual art-making workshops, times of worship, new ideas and discussion, prophetic input, and plenty of 'making time' all flow together to release a new fire in the creative soul. Each day will begin with time in worship and prayer – the furnace of creative endeavour. For info visit <https://atelier.org.nz/majesty/>
