

Positions filled

The wardens and Vestry are pleased to confirm the following voluntary positions in the parish:

Parish Treasurer

We're excited that Brent Cheyne has offered to be our Parish Treasurer. Brent will be officially appointed at our next Vestry meeting and will join Vestry in this role. We're blessed to have access to his years of experience and passion for getting things ticking along smoothly. A huge thanks to Brent and we're all looking forward to working with him in this crucial role.

The Parish Health & Safety Officer

We're delighted that Marie Tilley has offered to be our Parish Health and Safety Officer. It's an important pastoral role and we're happy to have someone with such a heart for others, and a desire to see our church as a safe place for everyone. Marie will work with Anne Green and Kay Cheyne, forming a small Health and Safety committee to share the load. Huge thanks to Marie, Anne and Kay for their willingness to share their time and energy in this way.

Seeking Volunteers

We're still looking for people prepared to be part of a group to keep an eye on the various buildings & other facilities we have here at Church on the Hill, and St Albans. Training will be given, and Vestry will support you — so you don't need to know everything in advance.

Buildings & Grounds Committee members

Members of this committee will:

- Notice when things aren't right, and be prepared to do something about it.
- Be "go to" people for when others notice things aren't right.
- Help sort maintenance tasks into priority order, & make recommendations to Vestry.
- Take responsibility as a group for getting things fixed.
- Organise quotes and liaise with tradespeople.
- Work with a delegated Vestry person to keep Vestry informed.
- Meet regularly to discuss any buildings & grounds issues.

Contact Dave Pritchard, Karl Summerfield or Susan if you would like to be part of this committee.

GLORIFY CONFERENCE FRIDAY 29 - SATURDAY 30 JUNE / GRACE CHURCH RICHMOND

(\$20pp EARLY BIRD MAY / \$30pp JUNE)

Last year we ran a conference for our regions worship teams, seeing people attend from churches throughout Nelson and some off the map from Blenheim even. This year we're excited to be bringing you the second instalment in June. This conference features a mix of NZ guest speakers and local musos sharing their gifts and experience, practical workshops geared around instruments, team and leadership, and worship sessions led by different local teams. At the heart of this event is a desire to build into what's happening locally in our churches that we might be united in praise and song, providing the soundtrack to all God is doing among us in reaching our city. We warmly invite you and your teams to join us. REGISTRATIONS open Tuesday 8 May register via:
