

## Health & Safety

Over the past week the Diocese has had two serious Health and Safety incidents relating to maintenance of buildings, so I wanted to take this opportunity to remind everyone across the Diocese of our requirement to be compliant with the Health and Safety at Work Act and the Diocesan Health and Safety Management Plan. Each Parish has a copy of the Diocesan Health and Safety Management Plan or you can view it on the Diocesan website at the following link: <https://www.nelsonanglican.nz/diocese-resources> Before any maintenance work is carried out on buildings or property, a Risk Management plan must be completed, and permission to proceed granted by the Vicar / Priest in Charge. Your parish Health and Safety Advocate should also be consulted. If any parishes require support with Health and Safety matters they can contact the Diocese for support.

David Hollingsworth – *Vicar General*

## Volunteers needed for Episcopal Ordination Service

The Diocese is calling for volunteers who are willing to provide Fire Warden and Traffic Management support for the Ordination and Installation of Bishop-elect Steve Maina as the 11th Bishop of Nelson on Saturday 31 August. Volunteers will need to be physically fit and confident and available for a briefing a few days prior to the event. You will be needed from 8.30am on the day of the service until approximately 1.00pm. The Diocese is also looking for a volunteer who holds a current STMS and is willing to provide support with traffic management planning. If you are interested in being considered for these important roles please email Diocesan Health and Safety Coordinator Rachel Boyack at [HS@nelsonanglican.nz](mailto:HS@nelsonanglican.nz)
