Scripture ▪ Song ▪ Silence  
7.00pm Sunday 7 June ▪ Taizé Service

Taizé is an ecumenical form of prayer modeled after the Taizé community (an ecumenical Christian monastic community of brothers) founded in the 1940's by Br. Roger in Taizé, France. The purpose of the prayer is to foster reconciliation and peace among all people. Christians of all traditions share in this ecumenical prayer. The service consists of song (using the simple chants of the Taize community), scripture, a service of light, a period of silence for meditation concluding with prayers for the world.

**Billets for** at Church on the Hill at 7.30pm on Friday 10 July. They're one of the top choirs at Cambridge University, where the Anglican choral tradition flourishes; they sing music from the 16th Century to the present, English and European, unaccompanied and with organ. They regularly sing at high profile venues in London and before Christmas we completed a run of very successful concerts starting with Mozart's Requiem at St Martin-in-the-Fields, Trafalgar Square and moving through the Messiah and other Christmas repertoire at St John's Smith Square and other locations. In addition, they undertake an international tour every year; last year they travelled through Quebec and Ontario and the previous year the East coast USA from Boston through New York and other cities to Washington. The choir last came to NZ in 2006.

**Interviewees wanted:** For my final assignment for my pastoral care class I have to interview three people who have experienced pastoral care and find out what they found most helpful while receiving it. These interviews will then form the basis for the writing of three case studies analysing what principles in pastoral care were shown in these situations. The identities of the people I interview will remain anonymous in the write up and any details shared will be kept confidential and can only be used with your permission. If you'd like to help me with my assignment you can call me at 5446495 or email me at [youth.onhill@xtra.co.nz](mailto:youth.onhill@xtra.co.nz) so I can set up a time for an interview (I would prefer replies to be this week so I can balance my workload). - Micah Did-Dell
