### A Request from Richmond Waimea Minister's Association

At Richmond Baptist Church they have a member who is in desperate need of a kidney transplant. She is going onto dialysis three times per week, but her need is really for a kidney donor. Is there anyone out there who would be willing to be a kidney donor for her? Her support worker is willing to follow up and discuss any queries as to what this entails. Anyone interested please contact Shelley Hawke in the first instance. Phone 544 7596 or email: [shelley.hawke@richmondbaptist.org.nz](mailto:shelley.hawke@richmondbaptist.org.nz)

**Hope Reassurance and Encouragement Seminars** - See the noticeboard for information about two Ellel Ministries seminars coming up on 22 and 23 November in Christchurch, with Paul and Diane Watson.

# Operation Christmas Child

Well team you have done exceptionally well this year. The container in Christchurch is filling rapidly. We have about 75% of the Canterbury boxes packed away, over 2500 boxes so far. Dunedin and Otago are sending up 1770 boxes, twice what they did last year! Nelson and Blenheim have over 600 boxes due to arrive in Christchurch in the next few days. They just keep coming; over 200 from Rangiora!

There has been so much support from everyone and I keep hearing from those that missed out this time but really want to be included next year. Your local initiatives have been fantastic; local newspaper and Television, so much foot work. Special church services where the service was dedicated to packing shoe boxes and then praying over them. Even one volunteer who's house is completely filled with boxes to come up to Christchurch... *'I have filled my bedroom, lounge, passage and kitchen with boxes!!! It has taken until tonight to get to the microwave.'* I had my 86 year old Mother with me on a couple of collection trips and she was amazed in the politeness and helpful attitude of some of the school pupils who had helped with collections and handover of boxes.

Again a big thank you for everything, it's almost over now for the year, at least for most folks. I hope to have the container on its way first thing next week. Then we can start thinking about how it went, what we can do to improve and looking ahead to next year. There will be opportunity to share your ideas together maybe early next year.

Blessings in Him  
Phillip Haussmann

A note from our Australasian Manager...

*Dear OCC Family,  
It's a joy to serve with the most passionate, generous and committed people. I'm humbled by your faithful labour of love in how you serve God through Operation Christmas Child.  
Seeing the thousands of shoeboxes being delivered to our warehouses reminds me that there's a child who will be blessed and impacted greatly at the end of each shoebox's journey. For many of these children it will be the first time they receive a Christmas gift and hear about what Christmas is all about. On a personal note, I love watching my boys put their childlike faith and joy into action. They pray for the boys who will receive their gifts and are learning about their responsibility to share what God has done for them with others. I know this is a joy I share with so many other mums and dads around Australia and New Zealand.  
God bless you and may God bless every shoebox giver and recipient this year!*
