

Reflection questions:

- Who are the 'least of these' with whom we already have contact?
- Are we too busy to see the ones right in front of us?
- How would the Lord have us, as a church, help them?
- How might we prevent the issues of hunger, thirst, homelessness etc from arising?
- Who can we partner with in these things?

Thank you - To everyone that read and responded to the message about our Son Sam being shortlisted in a competition to be a social media youth ambassador to attend Gallipoli in 2015, with the NZ contingent. The results are now out. In the words of Sam... "Just received an email, we were successful in our efforts and I've been selected to go to Gallipoli next year! Thank you guys for your support once again and I'll keep you up to date as things happen!"

Missions Speaker - Mati Gali and his wife Julie work with YWAM on the streets of Brazil. From small beginnings in the '90s to today. They have a full-time staff of over 100 plus a student population of 40 – 50. As well as reaching out to the street kids themselves, they help those willing to leave the streets. Where practicable they reunite them with their families (usually in the slums) or bringing them to Hope House on the base complex for rehabilitation and discipleship. 7.00pm Thursday 27 November at Richmond Church of Christ Cnr Croucher and Darcy Streets
